HOPEWELL MEMORIAL
HIGH SCHOOL

Editor's Message

As the year draws to a close, we look back with pleasure upon the events that have filled our cup of memories to overflowing. We have attempted to capture the best and most outstanding of these between the covers of the 1962 VIKING.

We consider ourselves very fortunate to have an advisor as capable as Mr. Lizak to help us over the rough spots; and we cannot adequately express our thanks to our photographer, Vic Polk, whose pictures help us retain some memories.

We hope that we have succeeded in our endeavor to present a good annual to you. the students and administration of Hopewell High. With the sincere wish that each of you will find among these pages something special—something you will remember for a long, long time—we give you the 1962 VIKING.

Carol Ann VanOrmer

Editor

We, the Class of 1962, proudly dedicate our "Viking" to Mr. Donald Kratzert, for whom we hold such high regard, both as an educator and a friend.

Dedication . . . Donald Kratzert

Dear Hopewell High, we'll cherish thee forever;
Where-ere we go, although our paths may part,
In all our thoughts, thy name will be remembered;
Thy flag unfurled wave golden and blue.
We sing thy praise, with voices raised on high;
Deep in our hearts, you'll never die.

Supervising Principal John P. Milanovich

Mr. Milanovich, Supervising Principal, looks over the plans of a new high school scheduled for completion in the fall of 1963. Mr. Milanovich has been an administrator for the past six years. His initiative and insight have been beneficial in the expanding school program.

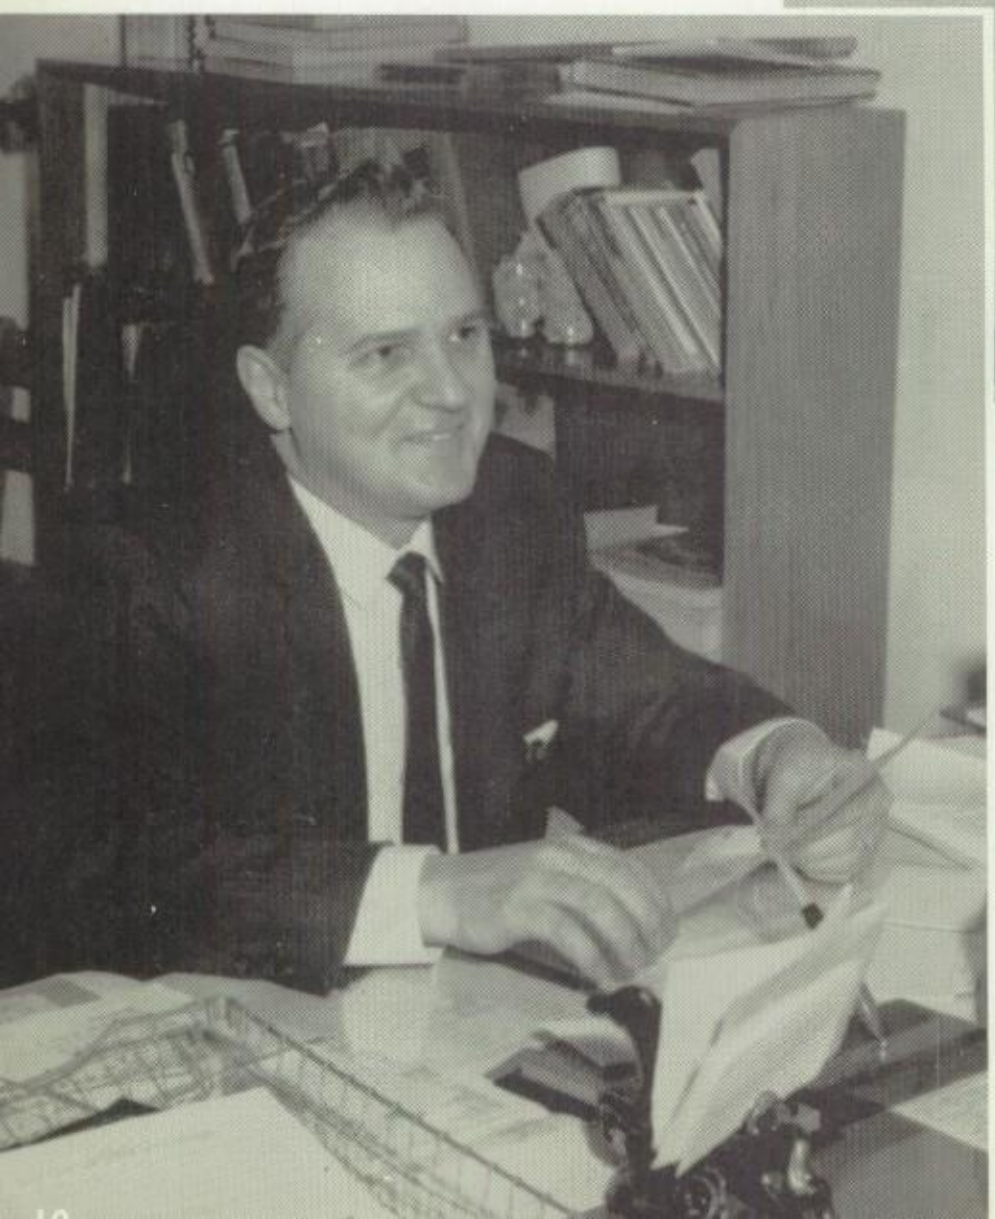
Assistant Supervising Principal Donald D. Kratzert

Mr. Donald Kratzert has been newly elected to the position of assistant supervising principal this year. He has tackled his various assignments with enthusiasm, and has worked to help establish a more efficient and complete school system.

High School Principal
Camillio Bonomi

One of the finest gentlemen whom we call our own—our principal, Mr. Bonomi, is known to every student and highly respected by all. Completing his first year as principal, his unceasing efforts in our behalf are appreciated by everyone. We are proud of our principal and feel honored that his ability as an educator and able administrator has been recognized by many outstanding organizations in our community.

Assistant Principal
Milfred Smith



Mr. Smith, a new addition to Hopewell's administration, has undertaken the duties of assistant with zeal. He is formerly of Carrick High School and was head of the science program staff of WQED. We hope he will find his service at Hopewell a very pleasurable experience.

On June 5, 1962, the 22nd class will graduate from Hopewell Memorial High School. Of the 93 girls, 22% plan to be secretaries, 21% plan to go to college, and 18% plan to be nurses. 43% of the 112 boys are going to college, 25% are going to the service and 13% are going to work.

As Sophomores, we were led by Kris Karamarkovich through a tough year. Our only class project was a social.

Kris guided us through our Junior year, also. the car wash helped to finance the Junior-Senior Prom, "Hawaiian Paradise."

Hugh Elliott was elected President this year. We will always remember our Senior year—having Senior pictures taken—attending all the banquets and parties, letting air out of bus tires, lighting firecrackers in study hall, and stealing out at night to place lye on football fields—as not an end, but a beginning.

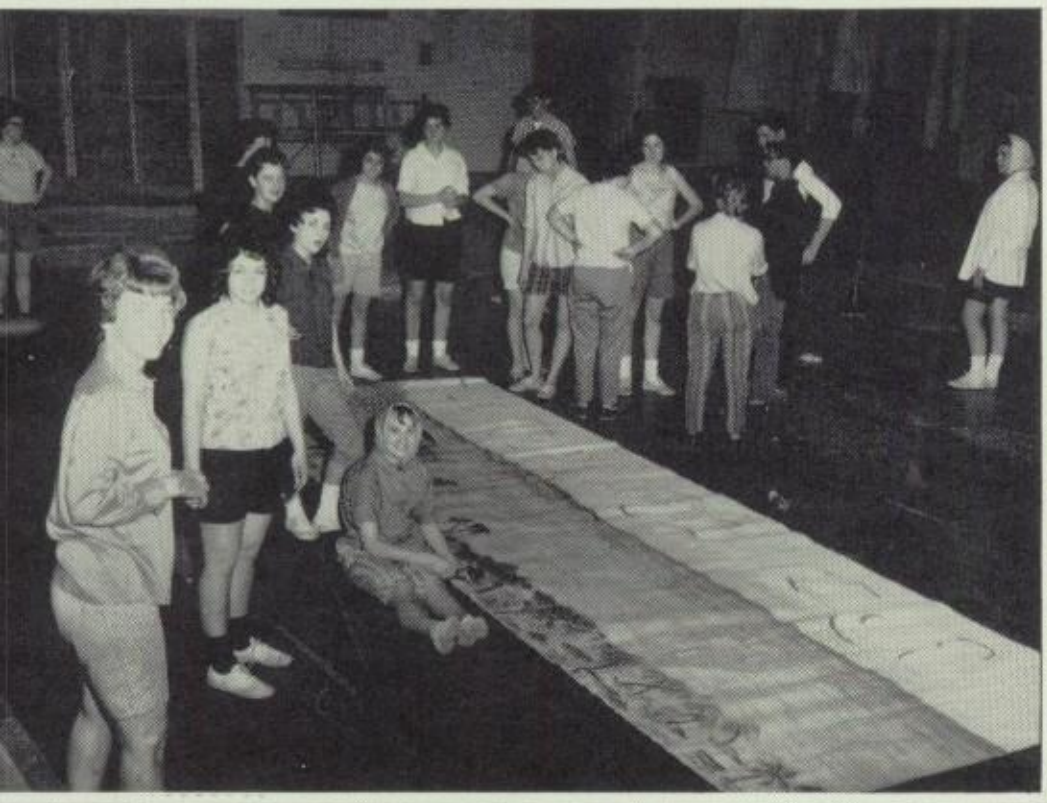
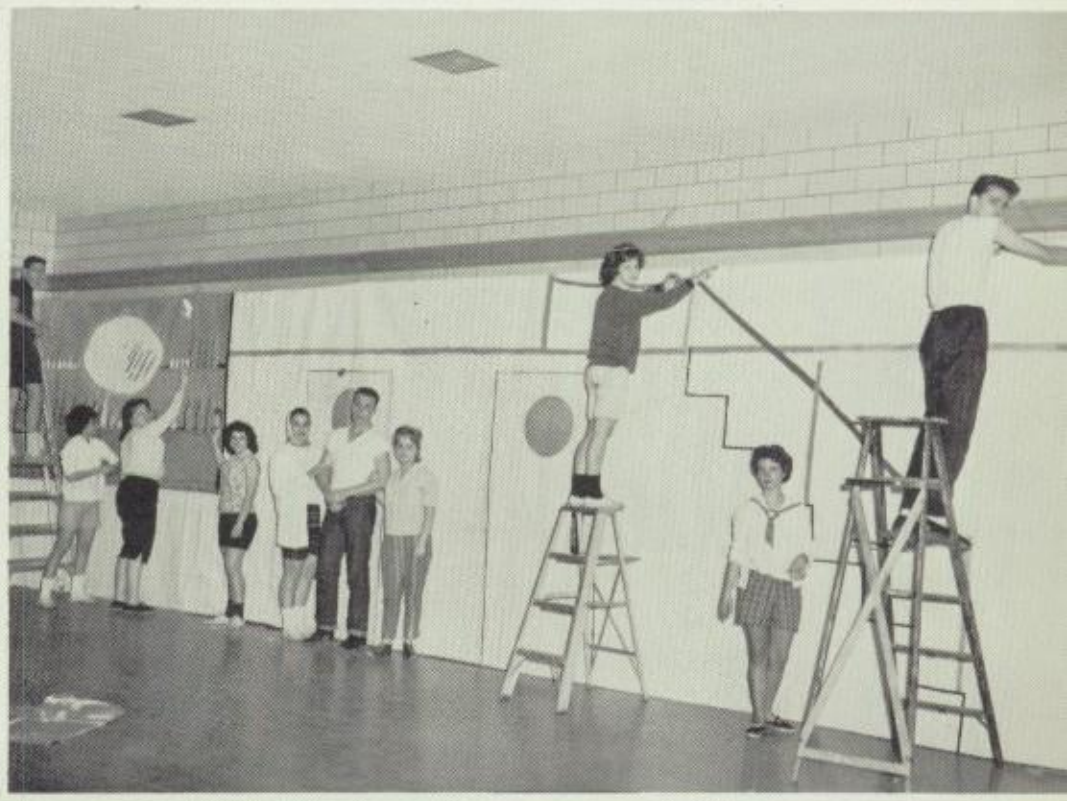
Hawaiian Paradise





The Junior-Senior Prom was held on May 12, 1961. The juniors worked long and hard under chairman Kris Karamarkovich to make "Hawaiian Paradise" a reality.

Open house was held from 7 to 8 o'clock, thus enabling the parents of the students to view the decorations. The prom was held from 9 till 12 o'clock with music provided by Bobby Caputo's Orchestra. The Prom pictures were taken by Vic Polk and scopes by Sam Selkovits. The sophomore pages, dressed as sailors and Hawaiian girls, served punch and cookies to the guests.

The Hopewell Memorial High School Student Council is composed of one student elected from each homeroom during his sophomore year. Each homeroom also elects an alternate member who serves in the absence of the regular member. The council meets once a week to formulate school policis that come under its jurisdiction.

This year, the Council was responsible for conducting all assemblies, ratifying all club constitution, operating a reception desk in the lobby, serving as guides and ushers at various school functions and providing the students a voice in school affairs.

The future goals of the Hopewell Memorial Student Council are to give the students a democratic form of government and to show them how it should function.

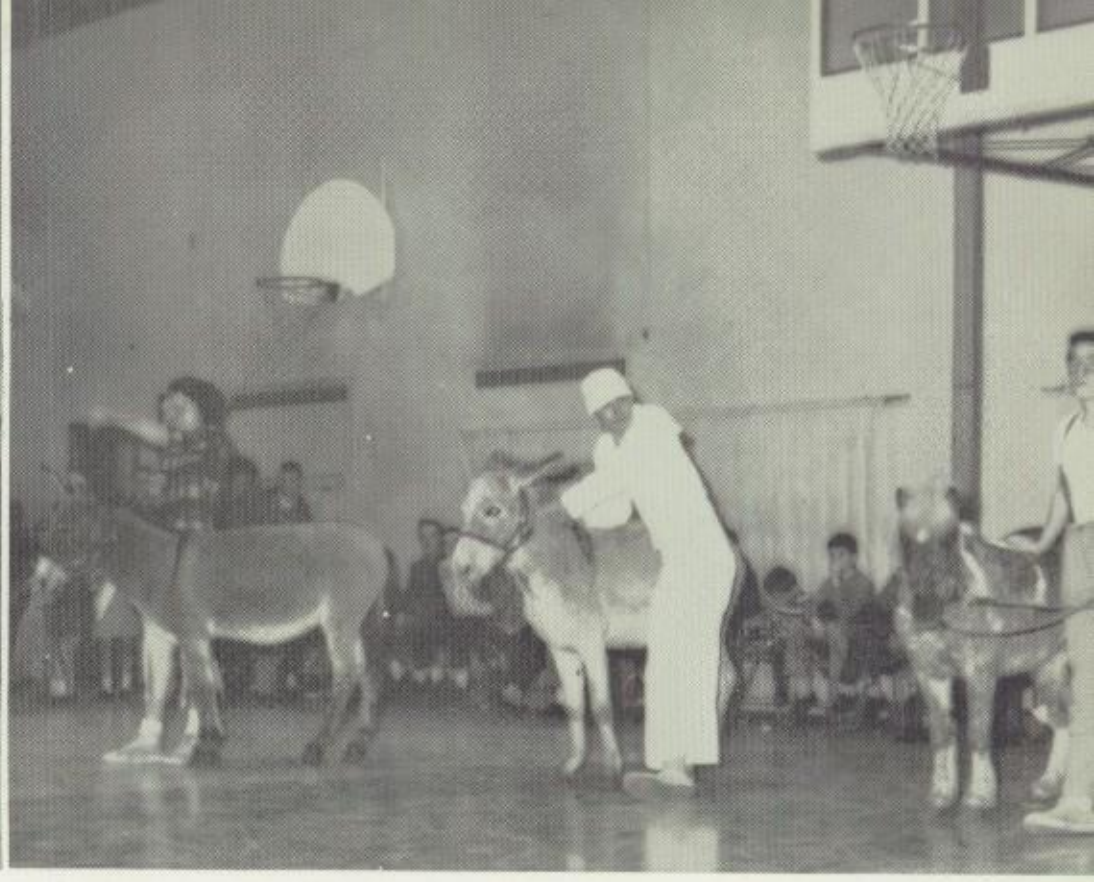
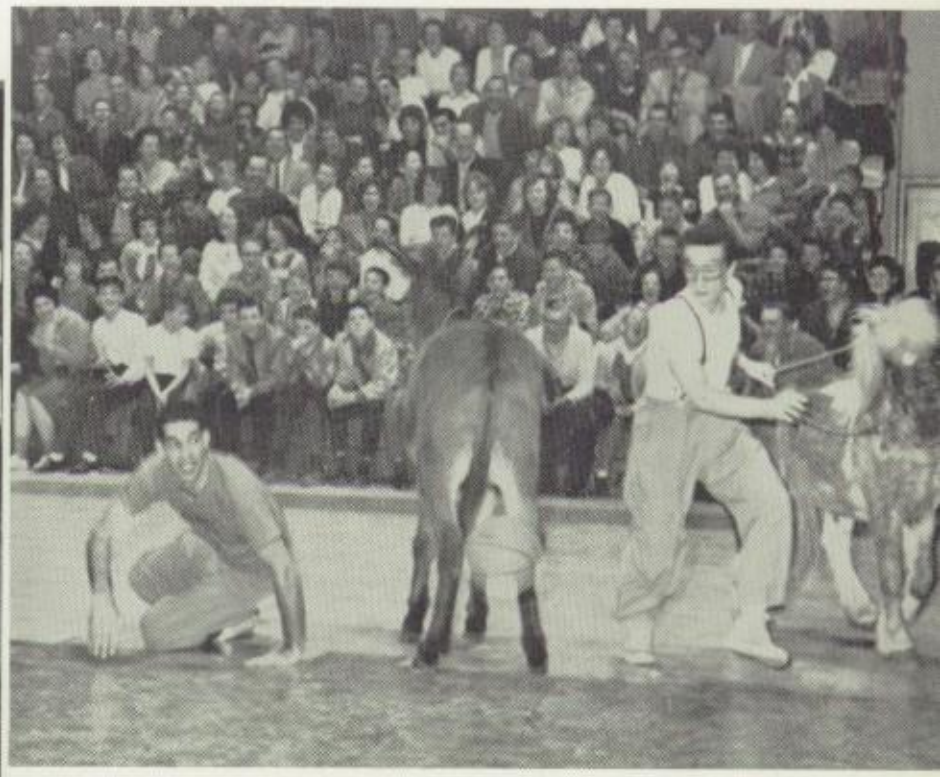
HOPEWELL
MEMORIAL

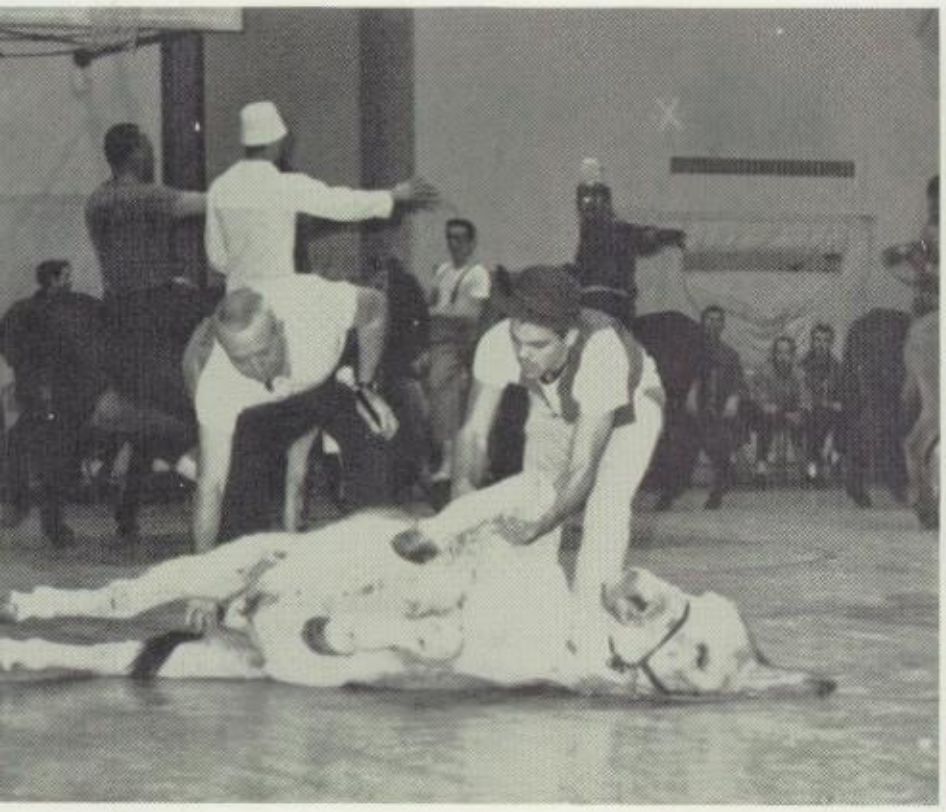


A Donkey Basketball game between the faculty and Senior Varsity Club boys was held March 1.

Where is your donkey, Bill?



Get that ball, Tom!



Having trouble with the "burro," Hughie?

Mr. Cleary helps the Faculty to another victory.

On February 26, the HJEA sponsored two basketball games. The first game was between the Senior Leaders and the Women faculty of the school district. The girls put up a good fight, but lost by two points in sudden death.

The second game put a team of All Stars from the Senior High against the men faculty members. The hard fighting boys lost a good game. The Faculty team has yet to be beaten.

That's a foul, you know.

Handsome lot, aren't they?
